Call 1-866-ECLAIMS Today for More Information or visit us online!

- The more time you spend on billing and insurance issues the less time you spend with patients.
- Whether you do 50 or hundreds of claims per month, the savings will be realized immediately.
- See the average number of days each insurance company takes to pay a claim. Each outstanding claim shows the expected date of payment.
- Endorsed by Several State Dental Associations. EC&EC are distributors in all 50 states.
